SHAR-Q & Storage4Grid joint final event

24th October 2019, EIT House - Rue Guimard 7, 1000 Brussels,

After three intense and hardworking years, SHAR-Q and Storage4Grid are coming to their end, and both project teams wish to celebrate it by joining forces in a co-organized closing event on **October 24th in Brussels**, where the main results and achievements will be shared with all the attendees.

Come and meet SHAR-Q and Storage4Grid partners, learn about their experiences during these three years and share ideas and opinions with key stakeholders on some of the trends and challenges tackled by the two projects which are driving the transformation of the energy sector such as decentralization, interoperability, digitalization, AC-DC grids coexistence, planning and coordination of shared storage capacity, tools supporting grid evaluation and management.

More details on the event will be provided in the following weeks, but in the meantime, **please save the date and spread the word!**

We are looking forward to welcoming you to our joint final event!
